My name is Mr. Tony Kingsada. I never think my dream will come true until I meet Mr. Dennis Alfredson.. He is very nice, polite, and very helpfull, He designed subdivide my land into two categories, I don't know what to tell that. English is my second language. Now my land is divide into two parts. That is cool. Mr. Dennis Alfredson also gave me a drew a picture of my land how to build a new house. Where the water and land will turn into.If you want to save a lot of money and times. You can call 253 334 6990 or email him Dennis@platandsitecivildesign.com he will be there for you. I thought he will take weeks or a months or thousand of dollar but he charged me very cheap compare to nine's bids. and he took only two days, that was quick.

This job was in the City of Algona.
